**FOR IMMEDIATE RELEASE**

## **Marlow Explorer 70E Mk2**

**Snead Island, Florida – September 11, 2018 (Marlow Yachts Limited, Inc.)**

**Marlow Yachts is very proud to announce a highly innovative evolution in high technology yacht construction with the new 70E Mk2 model to debut at the Ft. Lauderdale Boat Show. Since 2002 our very popular 70E model has led the industry in fast offshore and very long distance cruisers. That industry hallmark has been reimaged using all that we have learned in our leadership to Full Stack Infusion© processes still a mystery to the majority of builders.**

**This enclosed Command Bridge model was built for a leading marine industry professional and yachtsman with more than 40 years operation of fine shipyards and experience across the spectrum of yachting. The large operations center is the first in our 52 years of marine operations worldwide to include a commodious Captain's Cabin, full luxurious head and large shower with special fabrics, woods and tools with which hold electronics of larger scope and screen size than ever before. The Command Bridge Captains quarters includes desk area and refreshment center with all luxuries in a private or convivial atmosphere.**

**The interior volume achieved has never been accomplished previously with fit and finish a tribute to the renaissance period in every nook and cranny. The country kitchen is as large as many luxury homes with a panoramic view for the chef and lucky guests while serving as preparation center for scrumptious meals. Joined by the luxurious dining lounge for eight providing an exceptional atmosphere to create memories with family and friends the views are exquisite.**

**This luxurious four stateroom yacht from original concept to launch and eye popping performance on sea trials in the infamous 100 miles of Hell has kept to absolute standards in design, material, installation, performance and quality**

## PressRelease2018

**FOR IMMEDIATE RELEASE**

### **Marlow Explorer 70E Mk2**

**Snead Island, Florida – September 11, 2018 (Marlow Yachts Limited, Inc.)**

**control that Marlow Yachts is known worldwide for and provides leadership in the future for the marine industry at top level.**

**The enormous perfectly finished engine room is a standout among all of the highly acclaimed builds from Marlow since 1999. Separate machinery rooms house generators in splendor and silence with big ship technology and access. A private Mate's Cabin below aft with full head and stall shower allows full visibility of all machinery functions through large tempered glass observation windows and watertight doors. Her twin 1150 hp diesels sit on walk around carbon thrones with proprietary systems few can build.**

**Her center of vessel located Gyro system resides in a private and fully visible transparent room with 150 cubic feet of storage in a massive spare parts and tool center above with approximately 80" of headroom to admire the works of art surrounding its splendor of design and build.**

**Built with pride by our own artisans to a standard perhaps three other builders on earth can approach and a worthy successor to her.**

**The exterior decks have been designed for entertainment and special gathering places on both the aft deck and the fore deck with built in settees and tables for privacy by choice.**
