## **FOR IMMEDIATE RELEASE**

### **Marlow Explorer 66E**

**Snead Island, Florida – February 5, 2020 (Marlow Yachts Limited, Inc.)**

The innovative and enormously successful Marlow Explorer 66E will be on display at the Miami Yacht Show at the Sea Isle Marina. She is a most remarkable, head turning yacht with new and exciting innovative features and layout from the Marlow Yachts team built in our environmentally green award-winning factory. Featuring the nimble handling of a much smaller yacht, with performance at sea proven over and over, this new 66 excels dockside or in a remote cove, providing luxurious and practical surroundings at home on any sea or at any port of call. Offering speeds of over 25 knots and long-distance cruise mode of 2500+ miles at speeds 25% higher than so called passage makers.

The beautiful Seafoam Green hull with her gleaming oyster white superstructure is designed with many options for entertaining and dining not only in the realms of the flybridge but throughout the yacht. The flybridge has been custom designed to include a built in L shaped bar with two stools, along with a built-in settee behind the twin helm seat command center.

The additional beam increases volume throughout and increases stability at rest and underway. Her fuel tanks at 3000 gallons are by far leading in class, typically double the industry standard. The engine room is very spacious and houses the Caterpillar C-18 1150 HP engines. This vessel is capable as equipped from the factory to undertake voyages in distance and weather that few or none can match. West Palm Beach to Newfoundland non-stop causes no concern for this rugged but elegant passagemaker.

Our advanced manufacturing techniques and over a decade of experience of building Marlow Explorers from 49' to 97' has provided us the ability to continue offering our models that have revolutionized the industry, providing the seaworthiness, comfort and style Marlow owners expect.

Marlow Yachts have become the epitome of quality with the industry's best resale, Iconic in a world of marketing by artistic license.

***We welcome you to visit the world of Marlow Yachts and look forward to your visit at our display at the Miami Yacht Show, North Ramp B, Slips 1-6 at the Sea Isle Marina***
