

Marlow Prowler® Havana

Elegance in cruising both offshore and inshore....

The Marlow Prowler Havana is the newest edition to our Prowler Series. This high-tech, high-quality yacht with timeless lines, is perfect for those who want to cruise in style either offshore or inshore. Havana's sleek profile and its flag-blue and oyster-white coatings is stunning to look at. We don't know of another builder who has come close to the quality of material and workmanship that the Prowler Havana represents.

The proprietary RIVAT system of production elevates composite yacht building to a level unknown by all but a few builders worldwide. Prowler Yachts are built at Norsemen Shipyard along side the Marlow Explorer Series. Norsemen Shipyard is an environmentally conscious facility featuring the very best in advanced tools and machinery, computer systems and a talented workforce trained by some of the top master yacht builders in the world in every department.
